More Than Bootstraps Announces New Advisory Board Member

WESTFIELD and PASSAIC, NEW JERSEY – August 9, 2022. The New Jersey non-profit organization, More Than Bootstraps, has added a new advisory board member to help build a community of first-generation, underrepresented students who empower each other to access and succeed in higher education.

Dr. Jayashree (Jay) Shivamoggi, the founder and former director of the Office of External and Competitive Scholarships at Rollins College in Winter Park, Florida, has helped hundreds of students pursue a wide variety of competitive fellowships and scholarships. She served on the Executive Board of the National Association of Fellowship Advisors for four years. Dr. Jay is currently an independent consultant who works with high school students, undergraduates, and students applying to medical school, law school, and graduate school.

“We welcome Jay to our advisory board,” said **Audrey Fisch**, president of More Than Bootstraps. “We will benefit from her experience and expertise, and our students will have access to another higher education professional who can help them access opportunities to study abroad as well as secure scholarships and fellowships. We are excited for Jay to help our students dream bigger and reach their goals.”
