More Than Bootstraps Announces New Advisory Board Member

WESTFIELD and PASSAIC, NEW JERSEY – September 7, 2022. The New Jersey non-profit organization, [More Than Bootstraps](http://www.morethanbootstraps.org), has added a new advisory board member to help build a community of first-generation, underrepresented students who empower each other to access and succeed in higher education.

Cindy Goldman, a graduate of Case Western Reserve Law University School of Law, began her law career in New York City working for a large firm specializing in the defense of medical malpractice and products liability cases. She transitioned to commercial law and served as the head of litigation at Credit Agricola Indosuez. After September 11, she changed course in her career, returning to school to earn a school counseling degree. She then worked as a guidance counselor for 10 years at Rahway High School in New Jersey. Cindy introduced and ran several programs in Rahway to help first-generation and low-income students reach their goal of accessing higher education. Cindy retired in December 2021 but continues to mentor students.

“We welcome Cindy to our advisory board,” said **Audrey Fisch**, president of More Than Bootstraps. “She will bring her passion for access, her experience as a counselor, and her energy to our students. Cindy has already begun helping our students dream bigger and reach their goals.”
